

Join Niagara Region PCA!

The Niagara Region is an active club of over 400 members. We meet regularly and host over 50 regional events each year. All meetings and events are open to PCA members, family, friends, and anyone interested in the Porsche Club of America.

Our events cover a wide range of interests including **Tours to fun places**, **Concours**, **Autocross** and **Driver Education** at Watkins Glen. Our club also runs **Tech Sessions** and provide technical support for members. We pride ourselves on offering "something for everyone!"

Niagara is also invested in the community with involvement in a variety of **charities**.

About the PCA

The Porsche club sponsors driver education, restoration and technical sessions, Club Racing, hospitality tents (known as "Porscheplatz") at TUDOR United SportsCar Championship racing events, as well as two amazing national annual gatherings - The Porsche Parade and The PCA Escape.

PCA membership benefits include optional auto insurance for your Porsche; limited-use, discount Driver's Education and collectors car. Membership provides free classified ads and access to The Mart, PCA's members-only marketplace. We even have an award-winning magazine, Porsche Panorama, which tells our stories and provides an insider view to everything Porsche.

PCA Quest

Don't own a Porsche yet? PCA Quest might be for you! Although membership in PCA requires ownership/lease of a Porsche or that you be in a Porsche-related business, we do offer something for those of you actively trying to become Porsche owners.

The PCA Quest program provides you a six-month subscription to Porsche Panorama, the club's national monthly magazine, and a temporary account to log on to our website.

Autocross

Autocross is an ideal way for drivers at any level of ability to learn the fundamentals of car control. It's an opportunity to drive your car more aggressively than is safe or practical on city streets or country roads. That's not to say reckless driving is encouraged; on the contrary, good

drivers are in complete control while driving their cars close to their handling limits. One of the attractions of Autocross to newcomers is that any car in sound mechanical condition can be used. SUVs and vans are not permitted but beyond that, almost any car can participate

High Performance Driver Education

The mission and purpose of the **PCA's Driver Education Program** is to provide a safe, structured and controlled teaching and learning environment. The PCA DE Program is designed so that participants can improve their driving abilities and acquire a better understanding of vehicle dynamics and driving safety. Participants will experience first-hand the capabilities of high performance automobiles in a controlled, closed-course environment and acquire skills that will enhance safer vehicle operation in all driving situations.

The **Niagara on the Road** program provides a unique opportunity to drive on a variety of tracks in the US and Canada with the camaraderie of your fellow Niagara HPDE drivers.
