From your Editor:

The first sign of Spring happened last week; there were two Porsches for sale in the paper.

With that one warm day we had last week I decide to get both cars ready for the coming season. Once again I had failed to disconnect the batteries on both my 911 and 944. Despite the new battery charger I received for Christmas, they could not be revived. Even with that impending expense I am anxious for the weather to break so I can leave my "minivan" at home and take the 911 to the office.

We have several great events coming up very soon: the tech session with Dan and John, a breakfast club event with Curt, an auto body maintenance session with Mike and our ever growing monthly meetings.

Driver education registration at the Glen has now begun. If you are interested in coming to this event contact Dan D. soon. Dan's contact information is to the left.

I hope to see you all at the upcoming events. Happy and safe driving!

~Matthew Fuino

Third Annual John Holtz Gute Marken

June 4th 2006
12:00-3:00pm
John Holtz BMW
4250 West Henrietta Rd
Rochester, NY 14623

Please join us for our third annual John Holtz
German Car Show, Gute Marken (Good Brands).

In conjunction with the Genesee Valley Chapter BMW Car Club of America, the Niagara Region Porsche Club of America, and the Finger Lakes Chapter of Mercedes-Benz Club of America, the John Holtz Dealerships bring you a day of fun and fabulous cars on June 4th, 2006. Last year we had over 40 entries, 600 plus spectators, and raised over \$4000 for charity.

This year we plan to make the day even better! We are excited to have the BMW Suzan G. Komen fleet at the show conducting the Drive for the Cure from 11am to 5pm. Gute Marken attendees will have the opportunity to 'drive' one of the BMW cars for the cure, with BMW donating a dollar for each mile that they drive to the Susan G. Komen Foundation Breast Cancer Foundation.

If you have a car that you would like to show, we are accepting BMW, Mercedes-Benz, Porsche, and Audi. There is a \$20.00 pre-registration fee to enter, and pre-registration is needed by May 19th. There will be several categories in each marque, as well as Best in Show!

Grounds open at 10:00am, and cars must be ready for judging at 11:30am. Judging ends at 2:00pm, with winners announced at 2:30pm.

The event is open to spectators from 12:00 to 3:00pm and there is no admission charge. See racecars, show cars and antique cars! A fun event for the whole family! Don't miss this exciting day! Show off your special car and Drive for the Cure to support breast cancer research.

Holtz introduces the new Cayman!

Imagine the middle of January in Rochester and nobody could use the weather as a reason for not attending the Holtz open house featuring the new Cayman. Tim Carney and the sales staff at Holtz opened their doors to Porsche enthusiasts and prospective buyers to show off the newest addition to the Porsche family, the Cayman.

The Cayman is a blend between the Boxster and the 911 models, sharing attributes of each. The cars on display at the open house were gorgeous. I heard talk of trade-ins. I think Porsche has hit on a real winner here.

We had a pretty good crowd on hand including many Niagara PCA members. The catered hors d'oeuvres and drinks helped keep the mood festive.

Curt Hinchcliffe and I tried to convince Holtz management to fire up a Cayman in the showroom. The short answer was "no" but they said to come back the next day and the cars would be in the parking lot out front with the keys in them. Now there is a GREAT reason to head back to Holtz.

Does your car need a good buffing? Learn How!

3M and Paintmasters are sponsoring a "how to" workshop on auto body maintenance, May 6, 9am to 1pm. This FREE class will include waxing, wet sanding, circular and orbital buffering techniques, glazing, and more.

Donor cars are needed. Donor cars should not be an existing show car, but one that could use a good buffing. Each attending person will have an opportunity to use the techniques shown on the donated cars. If you would like to donate your car, or just get more information regarding this super opportunity, contact Mike Cohn @ 385-8828.

2006 Hershey Swap Meet

The Central PA Region of the Porsche Club of America is once again bringing its world-famous Porsche-Only Swap Meet to Hershey, Pennsylvania, on Saturday, April 22nd, 2006. This is without exaggeration the largest event of its kind on the planet. It typically brings nearly 650 vendors, over 750 Porsches, and over 6,000 visitors together in Hershey every year. (In 2003 the long-distance award went to a 968 driver from Albuquerque, NM!)

If you're seeking an obscure Porsche or an obscure part for your Porsche, this is your best chance to find it. Every dealer and Porsche packrat in a 250-mile radius will be bringing their odds and ends for sale or swap! You'll see exotic Porsches found nowhere this side of Stuttgart, and Porsche personalities ranging from PCA muckety-mucks to (sometimes) celebrities like Jerry Seinfeld.

New this year is a Featured Marque, the 356. We'll once again be featuring a People's Choice Concours on Saturday, and a Sunday Autocross on the same site. So come Saturday for your parts, install 'em Saturday night, and run 'em Sunday!
